INTRODUCTION

At Heyblom Technology Company Ltd., the developer of The StreetWall Project (accessible via streetwall.io and thestreetwallproject.com), we use cookies to enhance your browsing experience and improve our services. This Cookies Policy explains what cookies are, how we use them, and your choices regarding use.

1.0 COOKIES?... WHAT?

Cookies are small text files placed on your device when you visit a website. They help us remember your preferences, improve site performance, and provide insights into how users interact.

1.1 HOW WE USE COOKIES

We use cookies to:

- Maintain essential site functionality
- Understand visitor behavior to improve user experience
- Support presale tracking for our \$STWL token
- Remember your preferences and form inputs
- Help us deliver relevant content and updates

1.2 DISABLING COOKIES

You can manage cookie preferences through your browser settings. Please note, disabling cookies may limit the functionality of our site and affect your experience, including your ability to participate in our presale or view certain features.

1.3 Types of Cookies We Use

- **Newsletter Cookies:** Help us identify whether you're already subscribed to updates so we don't show duplicate messages.
- **Form Cookies:** Store your details when submitting contact forms to make future interactions easier.
- **Preference Cookies:** Remember how you like the site to behave (e.g., theme, layout, language).

1.3 THIRD-PARTY COOKIES

We may also use cookies from trusted third parties, including:

- **Google Analytics:** Helps us understand how visitors use our site, such as time spent and pages visited.
- **Other Analytics Providers:** Monitor traffic patterns and content engagement to enhance user experience.
- **Feature Testing:** Track performance of new features and ensure consistent delivery during trials.
- **Presale Tracking:** Analyze purchase behaviors during our \$STWL token presale so we can manage campaign effectiveness and optimize pricing strategies.

1.4 YOUR CHOICES

If you are unsure whether a cookie is necessary, we recommend leaving it enabled for optimal functionality. For specific questions or concerns about our cookie use, please contact us.
